Love in the Moonlight Sandra Sookoo, 2012-09-27 What could be better than a collection of stories all centered on Halloween? There's just something about the cool, crisp air in the fall, being romanced under the moonlight and knowing magic can happen in a pumpkin patch. In *Hunter's Moon Magic*, the main story is about Judith and her hunt to reunite with her true love. Though it takes her two hundred years to find her happy ending, maybe it's the journey instead of the destination after all. In *The Haunting of Amelia Pritchard*, Amelia is feeling a bit down on her luck, but an aging house and an estranged husband bent on making their marriage work are nothing compared to stumbling upon a ghost in her bedroom. Sometimes, being haunted isn't limited to the supernatural. In *Courtesans and Thieves*, a masquerade provides excitement and lowered inhibitions. The chase is on; complete with a kiss from a handsome, mysterious gentleman and a moonlit tryst for a prize.

Enchanting Eve Darci Balogh, 2018-09-28 Two men. One possibly haunted house. A Halloween she'll never forget. Love all things pumpkin? Can't wait for sweater weather? This sweet romance is for you. A feel-good small town Halloween romance that delivers a sweet romantic story with just a touch of magic. Oh, yes, and a pair of black cats with attitude...purrfect reading for a fall afternoon. Eve's simple life in her home town has felt empty since her father passed away. Living in the beautiful old house where she grew up is some comfort to her, but being naturally introverted and loving cats isn't exactly pushing her into a healthy social life. She misses the joy she used to feel and she's not sure if she will ever find happiness again. When Eve decides to take part in a few of her most cherished Halloween traditions that she used to share with her father, life gets a little-shall we say-sticky? First she finds out her high school crush is returning home. Then she meets the young handsome teacher who is taking over her father's job. And finally she discovers that she may be living in a haunted house. Is her strong attraction to the 'one that got away' the start of something beautiful or will the old fashioned charm of the new guy in town win her over? Are the strange coincidences in her house leading up to Halloween just her imagination or is someone trying to tell her something? Something that could change her life forever...

The Gum Thief Douglas Coupland, 2011-01-15 Douglas Coupland's inventive novel-think *Clerks* meets *Who's Afraid of*

Virginia Woolf? is the story of an extraordinary epistolary relationship between Roger and Bethany, two very different, but strangely connected, aisle associates at Staples. Watch as their lives unfold alongside Roger's work-in-progress, the oddly titled *Glove Pond*. A raucous tale of four academics, two malfunctioning marriages, and one rotten dinner party, Roger's opus is a Cheever-style novella gone horribly wrong. But as key characters migrate into and out of its pages, *Glove Pond* becomes an anchor of Roger's unsettled-and unsettling-life. Coupland electrifies us on every page of this witty, wise, and unforgettable novel. Love, death, and eternal friendship can all transpire where we least expect them...and even after tragedy seems to have wiped your human slate clean, stories can slowly rebuild you.

Pumpkin Pounder Laura Lovely, 2019-10-24 I love redheaded men. Yes, redheads. Any shade from strawberry to bright sunset to hot-rod red. I love gingers and they love me. I love the way their freckles stand out. I love the way their necks get red when they get hot, sunburned or turned on. I love the way I can spot one in a room and know they're going to be mine. I love them so much, I've earned a nickname: Pumpkin Pounder. (I'm not going to put that on my resume, but it suits me.) The one thing I love as much as redheads is Halloween night in New York City, so when my friend invites me to a wild costume party aboard an old tug boat, I'm ready for anything...especially meeting the perfect guy. The perfect, redheaded guy...with

an Irish accent. Problem is, what if I want him for more than one night? -- PUMPKIN POUNDER is a fairytale remix, a reverse Cinderella story inspired by *The Nightmare Before Christmas*, *An Affair to Remember* and *SATC*. Laura Lovely's Fairytale Remixes promise short hot-n-humorous romances inspired by fairytales, mythology and pop culture.

Dance, Stand, Run Jess Connolly, 2017-10-24 A more abundant life is within your reach. Join Jess Connolly as she casts a fresh vision for how to break free of cheap grace and empty rule-keeping and change the world rather than be changed by it. Grace is always good news, but it's not cheap. True grace compels us to change, and that's where holiness comes in. Jess Connolly--beloved writer, speaker, business coach, coauthor of *Wild and Free*, and author of *You Are the Girl for the Job*--will be the first to admit that not long ago, like many women, she embraced God's grace, but found herself forgetting holiness altogether. *Dance, Stand, Run* charts Jess's discovery that holiness was never meant to be a shaming reminder of what we should do, but rather a profound privilege of becoming more like Christ. In *Dance, Stand, Run*, Jess shares the truth that changed her life and her faith forever: once we've gripped the grace that Jesus has given us by faith and planted our feet on his holy ground, we become ambassadors of life, hope, truth, and love. Jess will give you the encouragement you need to finally: Claim your identity as a holy daughter of God Live out your holy influence with confidence before a watching world Discover your true purpose *Dance, Stand, Run* is an invitation to God's daughters to step into the movements of abundant life: dancing in grace, standing firm in holiness, and running on mission.

She's spent the last decade after dropping out of college hopping all over the US and now, back in her hometown, Tabitha is working as a barista and taking any job she can to pay the bills. When she notices that the Haunted Halloween Hike is auditioning for actors to spook unsuspecting patrons, Tabitha knows she's just the right person for the gig. The Haunted Halloween Hike at Ty Treadwell's Family Fun Park has been a treasured annual institution in small-town Cape Coral, FL for over thirty years. Donnie loves everything to do with horror, and for him, every day is Halloween. Unfortunately, his obsession with collecting creepy memorabilia and constructing spooky costumes sometimes makes him feel isolated in his small town. When lively Tabitha Peterson applies to work the Haunted Hike, Donnie is relieved to finally find someone to share his enthusiasm for all things Halloween. Tabitha is also surprised to be taken by such a normal guy like Donnie, and they become fast friends as they enthusiastically share their scary fandoms. It's all Halloween fun and games until Donnie's uncle announces that he'll be selling Ty Treadwell's to an investor if Donnie isn't interested in taking over the reins. With the realization that this will be the last year for the Halloween Hike, Donnie decides that it's time for him to grow up and face his fears. If Donnie can't admit his feelings for Tabitha and take the plunge and accept his uncle's business proposal, he'll lose out on the one

thing he loves more than Halloween.

I'll Be Home for Halloween Elizabeth Myles,2022-08-30 This Halloween, lose your heart in Hillingham Hollow... Welcome to Hillingham Hollow, a wholesome Texas suburb where romance abounds and real magic is rumored to be in the air. As a teen, Clea starred on reality TV with pop star London Lange. She'd thought they were in love, but when the show ended, he left town and never returned. Years later, Clea still thinks about London. A lot. But she hopes someday she'll learn how to let him go because chances are, she'll never see him again. Or will she? Could a magical Halloween reunion spell their second chance? Book 4: I'll Be Home for Halloween When Clea was fifteen, she dated a pop star. Not because she was a star herself, but because her family signed on to appear on reality television with a famous boy band. For most of her sophomore year, one of the boys, seventeen-year-old London Lange, lived in Clea's attic. The handsome and charming singer ate meals with her, rode to school with her, and eventually pretended to be her boyfriend in front of the cameras. As awkward as all of that could be at times, it was nothing compared to the most horrible thing London did while he was in town. He stole—and then broke—Clea's heart. Now Clea is older and wiser, and she's done her best to move on from the past and from the show. She's keeping a low profile, focusing on her budding career as a journalist, and, for the most part, doing fine. She still thinks about

London. A lot. But she hopes someday she'll learn how to let him go because chances are, she'll never see him again. Or will she? During one special, supposedly enchanted, Halloween weekend, Clea gets her secret wish and runs into London on the street. He looks almost the same, and yet no one else seems to recognize him. While his anonymity bewilders Clea, she has more pressing concerns at the moment, like getting to the bottom of why London is back in Hillingham Hollow all of a sudden, and what happened when he took off years ago. Why did he lie and break his promises to her? Why did he crush her heart? And while a part of Clea is afraid to ask, she can't help also wondering...after everything that's gone on between the two of them, can they ever have a relationship again? A real one this time? Does London even want one? The avalanche of questions twists Clea's mind and heart into knots, all the more so when she begins to suspect the answers might involve something...well, not quite of this world. Something supernatural... Content advisory for Book 4: I'll Be Home for Halloween: sexual references, sensual kissing _____
