## Stephen Harrod Buhner

*Sacred Plant Medicine* Stephen Harrod Buhner, 2006-02-24 The first in-depth examination of the sacred underpinnings of the world of Native American medicinal herbalism • Reveals how shamans and healers “talk” with plants to discover their medicinal properties • Includes the prayers and medicine songs associated with each of the plants examined • By the author of *The Secret Teachings of Plants* As humans evolved on Earth they used plants for everything imaginable--food, weapons, baskets, clothes, shelter, and medicine. Indigenous peoples the world over have been able to gather knowledge of plant uses by communicating directly with plants and honoring the sacred relationship between themselves and the plant world. In *Sacred Plant Medicine* Stephen Harrod Buhner looks at the long-standing relationship between indigenous peoples and plants and examines the techniques and states of mind these cultures use to communicate with the plant world. He explores the sacred dimension of plant and human interactions and the territory where plants are an expression of Spirit. For each healing plant described in the book, Buhner presents medicinal uses, preparatory guidelines, and ceremonial elements such as prayers and medicine songs associated with its use.

FORBIDDEN NIGHTS She has been the star of his dirty dreams for years. Sexy hotel CEO Nate Harper has lusted after his good friend Casey Sullivan for a long time, and she's cried out his name in pleasure countless times in his fabulously filthy fantasies. But even though he's quite skilled at pleasing a woman, he won't act on his intense desire because he knows he's no good for her. After the kind of hurt his ex inflicted on him, he's a committed playboy for life, and Casey only wants true love. All that changes one hot night when she comes to him with a proposition he can't resist -- she wants him to teach her to be submissive in the bedroom. Casey soon learns how very much she likes letting go of control to him. She's never been more turned on in her life than she is in Nate's arms. And he's never been more taken by a woman. The only trouble is as she experiences what it means to let go, he starts to experience what it means to feel again...And the lessons in seduction threaten to turn into so much more than either one bargained for... What happens when years of desire and lust ignite a passion that can't be denied?
